The Permanent Mission of the People's Republic of China to the United Nations Office at Geneva and other International Organizations in Switzerland presents its compliments to the esteemed Permanent Missions in Geneva and wishes to bring the attention of the latter to the following:

The Netherlands plans to deliver an anti-China joint statement based on lies and disinformation at the Human Rights Council during the interactive dialogue with the High Commissioner for Human Rights on 14 June. China strongly opposes and firmly rejects such a politically motivated move.

The Netherlands' action, instead of promoting cooperation, can but only provoke confrontation and aggravate politicization in the work of the Council. The Permanent Mission of China strongly urges the esteemed Permanent Missions to uphold the principle of non-politicization, and to reject the above-mentioned joint statement.

The Permanent Mission of the People's Republic of China avails itself of this opportunity to renew to the esteemed Permanent Missions in Geneva the assurances of its highest consideration.
