

## HRC60 SIDE EVENT:

# THE SYSTEMIC NATURE OF ARBITRARY DETENTION IN CHINA

Expanding evidence base demands  
renewed efforts at accountability

Photo collage: Amnesty International

**Tuesday 9 September**  
**1:00 pm - 2:00pm CEST**

**Palais des Nations, Room VIII**

This side event will share findings and analysis of the use of arbitrary detention and enforced disappearance in China and its chilling effects on human rights advocacy, assess shortcomings in China's actions, and propose recommendations for action by the international community.

### Speakers:

- **Mary Lawlor**, Special Rapporteur on the situation of human rights defenders
- **Rizwangul NurMuhammed**, Uyghurs at UN Initiative
- **Sophie Richardson**, Network of Chinese Human Rights Defenders
- **Yalkun Uluyol**, Human Rights Watch

### Moderator:

**Raphael Viana David**, International Service for Human Rights
